Free/Reduced Lunch Application

By completing this application, you will see if you qualify for free/reduced meals. If you do not qualify or do not wish to participate in this program your student(s) will be charged full price for meals. If you qualify, this can also help considerably reduce your enrollment fees. It also helps with the payment of ACT Fees, college application fees and other items. Additionally, the Free/Reduced Lunch application is what calculates all at-risk and Title funding for the schools. It is very important that families complete it -- your information is kept strictly confidential.

It is extremely helpful if you have completed this form at least two days before the pay date of July 31, so we can make a determination on the reduction of enrollment fees.

Please click on this link to complete the application.
