(In Accordance With WAC 284-23-610, 620, 650, 730)

The accelerated life benefit in this policy does not and is not intended to qualify as long-term care under Washington state law. Washington state law prevents this accelerated life benefit from being marketed or sold as long-term care.

If an Insured receives payment of accelerated benefits from a life insurance policy, he or she may lose the right to receive certain public funds, such as Medicare, Medicaid, Social Security, Supplemental Security, Supplemental Security Income (SSI), and possibly others. Also, receiving accelerated benefits from a life insurance policy may have tax consequences for the Insured. We cannot give advice about this. The Insured may wish to obtain advice from a tax professional or an attorney before he or she decides to receive accelerated benefits under a life policy.

FOREWORD

Life insurance provides individuals and their families with financial protection. The Life Insurance Benefit described in this booklet will help secure your family's financial security in the event of your death.

The need for life insurance protection depends on individual circumstances and financial situations. A portion of the cost of this coverage is provided by your Employer. You may need to contribute to the remaining cost of coverage through payroll deduction so that your benefit program is more comprehensive and responsive to your needs.

The following pages describe the main provisions of the life insurance plan available to you.

Insurance benefits described in the following pages will apply to you if your Employer has made this coverage available to you at no cost or you have elected the benefit and authorized payroll deduction for the required premium.

WHO IS ELIGIBLE

Classes of Eligible Persons

A person may be insured only once under the Basic Life portion of the Policy even though he or she may be eligible under more than one class. A person may also be insured only once under the Voluntary Life portion of the Policy as an Employee, Spouse or Dependent Child, even though he or she may be eligible under more than one class.

An Employee who is the Spouse of another Employee may not be insured for Voluntary Life Insurance as both an Employee and as a Spouse at the same time.

Any Employee, who is eligible for Voluntary Life Insurance, will not be eligible to be insured as a Dependent Child of another Employee.

If an Employee is eligible and has enrolled as the Spouse of another Employee, but ceases to be eligible to maintain the amount of insurance for which he or she has enrolled as a Spouse, that Employee may, within 31 days, enroll for coverage as an Employee, in an amount equal to the lesser of (1) the amount of Spouse Voluntary Life Insurance terminating, or (2) the maximum amount of Employee Voluntary Life Insurance for which the Employee is eligible. The Insurability Requirement does not apply. If this amount is not equal to a Voluntary Life Insurance coverage option, it will be adjusted to the next higher available Voluntary Life Insurance coverage option. This provision shall be in lieu of the Policy's provisions, if any, regarding coverage changes following Life Status Changes.

If a Spouse is eligible and has enrolled for Voluntary Life Insurance as an Employee, but ceases to be eligible to maintain the amount of insurance for which he or she has enrolled as an Employee, the Spouse may, within 31 days, instead become enrolled as a Spouse of another Employee, in an amount equal to the lesser of (1) the amount of Employee Voluntary Life Insurance terminating, or (2) the Maximum Benefit Amount of Spouse Voluntary Life Insurance for which the Spouse is eligible. The Insurability Requirement does not apply. If this amount is not equal to a Voluntary Life Insurance coverage option, it will be adjusted to the next higher available Voluntary Life Insurance coverage option.

A Dependent Child of two or more Employees may only be insured once under the Policy. If an Employee who has elected to insure Dependent Children ceases to be eligible to do so, then the Employee's Spouse may, within 31 days, elect to insure Dependent Children, provided he or she is insured as an Employee. In all cases, "Dependent Child" shall be defined with respect to the Employee who has enrolled dependent children.

In all cases, amounts of insurance referred to in these provisions shall be determined before the application of any reductions in benefits due to age.

Any amount of Voluntary Life Insurance Coverage which cannot be continued under the above provisions may be subject to the Conversion Privilege.

Employee

If you qualify under the Class Definition shown in the Schedule of Benefits, you are eligible to be insured under the Policy on the Policy Effective Date.

Spouse

Your Spouse is eligible to be insured on the date you are eligible or the date he or she becomes your Spouse, if later. You must be insured for Voluntary Life Insurance in order to elect spouse coverage.

For eligibility purposes, your Spouse must be a lawful Spouse and not legally separated from, divorced from, or widowed by you.

Dependent Child

Your Dependent Child is eligible to be insured on the date you are eligible or the date the child becomes a Dependent Child, if later.

In no event will a Dependent Child be eligible to be insured more than once under the Policy.

TL-004710-1

WHEN COVERAGE BEGINS

You, your Spouse and Dependent Children will be insured for an amount not to exceed the Guaranteed Issue Amount on the date you become eligible, if you are not required to contribute to the cost of this insurance.

If you are required to contribute to the cost of this insurance, you may elect insurance for yourself, your Spouse and Dependent Children only by authorizing payroll deduction in a form approved by the Employer and us. The effective date of this insurance depends on the date and amount of insurance elected.

If you elect coverage within 31 days after you become eligible to enroll or increase coverage, the Guaranteed Issue Amount will be effective on the latest of the following dates:

1. The Policy Effective Date.
2. The date you authorize payroll deduction for this insurance.
3. The date the Employer or Insurance Company receives the completed enrollment form.

If coverage for a Dependent Child is in force and another Dependent Child becomes eligible, coverage for that child is effective on the date he or she qualifies as a Dependent Child.

If an eligible Spouse, Dependent Child or Retired Employee is:

1. an inpatient in a hospital, hospice, rehabilitation or convalescence center, or custodial care facility; or
 2. confined to his or her home under the care of a Physician
- on the date insurance would otherwise be effective, it will be effective on the date he or she is no longer an inpatient in these facilities or confined at home. If such Spouse, Dependent Child or Retired Employee was covered by the Prior Plan immediately prior to the Policy Effective Date, this provision will not apply to the amount of coverage in effect as of the Policy Effective Date, but will apply to any increase in coverage. This does not apply to a Dependent Child who is age 6 months or less.

TL-004712

WHEN COVERAGE ENDS

Coverage will end on the earliest of the following dates:

1. the date you are eligible for coverage under a plan intended to replace this coverage;
2. the date we terminate the Policy;
3. the date you, your Spouse or Dependent Children are no longer eligible;
4. the day after the end of the period for which required premiums are paid;
5. the date the Employer cancels participation under the Policy; and
6. the date your coverage ends, for any insured Spouse or Dependent Child.

WHAT IS COVERED

LIFE INSURANCE BENEFITS

Death Benefit

If an Insured dies, we will pay the Life Insurance Benefit in force for that Insured on the date of his or her death.

TL-004730

Accelerated Benefits

Any benefits payable under this and under any similar Accelerated Benefits provision accelerated under a Prior Plan will reduce the Death Benefit payable for Life Insurance. We will deduct from any Death Benefit payable under this Policy, the amount of any similar accelerated benefit paid under a Prior Plan.

Any automatic increases in Life Insurance Benefits will end when benefits are payable under this provision, unless the Insured is determined by the Insurance Company not to be eligible for Accelerated Benefits.

Terminal Illness Benefit

We will pay a Terminal Illness Benefit to an Insured who has incurred a Terminal Illness while insured under this provision.

The Terminal Illness Benefit is shown on the Schedule of Benefits.

A claim for a similar terminal illness benefit under a Prior Plan or group policy intended to replace this Policy shall be deemed payable until such time as it is finally determined not to be payable.

Determination of Terminal Illness

For the purpose of determining the existence of a Terminal Illness, we will require the Insured submit the following proof:

1. A written diagnosis and prognosis by a licensed Physician; and
2. Supportive evidence satisfactory to us, including but not limited to, radiological, histological or laboratory reports documenting the Terminal Illness.

We may require, at our expense, an examination of the Insured and a review of the documented evidence by a Physician of our choice.

Such proofs must be submitted to us within the period of time provided in the *Proof of Loss* section of the Policy. For purposes of this Benefit, the date of loss shall be the date of first prognosis of Terminal Illness.

"Terminal Illness" means that, due to an Injury or Sickness, the Insured has a prognosis of 12 months or less to live without reasonable prospect of recovery, as determined by us.

Payment of Terminal Illness Benefit

The Terminal Illness Benefit will be payable in accordance with the provisions of the *To Whom Payable* section of the Policy.

The Terminal Illness Benefit is payable only once under the Policy in an Insured's lifetime.

Conditions Applicable to Coverage

Unless the Insured qualifies for waiver of premium, premium payments must continue to be paid on the full amount of group life insurance, including during any Continuation of Insurance under the Policy, in accordance with the *Premium* section in the *Administrative Provisions*.

The amount of Life Insurance which may be converted under the *Conversion Privilege* cannot exceed the amount of the reduced death benefit payable under the Policy.

Before a Terminal Illness Benefit is paid in a Community Property state, we may require the written consent of the Insured's Spouse.

Exclusions Applicable to Terminal Illness Benefit

A Terminal Illness Benefit will not be payable:

1. when the Insured has irrevocably assigned group life insurance under this Policy;
2. when all or a portion of group life insurance benefits under this Policy are to be paid to a former spouse as part of a qualified domestic relations order;
3. for any intentionally self-inflicted Injury or Sickness, or suicide attempt;
4. if the Insured's coverage ends under the *When Coverage Ends* provision prior to the prognosis of Terminal Illness;
5. if the required premium is due and unpaid;
6. if this Policy terminates prior to the prognosis of Terminal Illness;
7. if you or the Insured is only provided coverage under the Takeover provision of the Policy (Employees Not in Active Service on the Policy Effective Date); or
8. if the date of first prognosis of Terminal Illness occurs more than 12 months before the submission of the Terminal Illness claim.

TL-004748a

Conversion Privilege for Life Insurance

Each Insured may convert all or any portion of his or her Life Insurance that would end under the Policy due to:

1. termination of employment;
2. termination of membership in an eligible class under the Policy;
3. termination of the Policy.

The Insured may apply for any type of life insurance we offer to persons of the same age in the amount applied for, except you may not:

1. choose term insurance;
 2. apply for an amount of insurance greater than the coverage amount terminating under the Policy (also, the conversion policy will not provide accident, disability or other benefits); or
 3. apply for more than \$10,000 of insurance if the Policy is terminated or amended to terminate the insurance for any class of Insureds, or the Employer cancels participation under the Policy.
- Conversion in these cases is only permitted if you have been covered by the Policy or, any group life insurance policy issued to the Employer which the Policy replaced, for at least 3 years.

If the Insured becomes eligible for coverage under any group life policy within 31 days of termination of coverage under this Policy, the Insured may not convert an amount of insurance greater than the amount of coverage terminating under the Policy less the amount for which he or she may be covered under the other policy.

To apply for conversion insurance, the Insured must, within 31 days after coverage under the Policy ends:

1. submit an application to us; and
2. pay the required premium.

Evidence of insurability is not required.

Premium for the conversion insurance will be based on the age and class of risk of the Insured and the type and amount of coverage issued.

If the Insured has assigned ownership of his group coverage, the owner/assignee must apply for the individual policy.

Conversion insurance will become effective on the 31st day after the date coverage under the Policy ends provided the application is received by us and the required premium has been paid.

If the Insured dies during the 31-day conversion period, the Life Insurance benefits will be paid under the Policy regardless of whether he or she applied for conversion insurance. If a conversion policy is issued, it will be in exchange for any further benefits for that type and amount of insurance from this Policy.

Extension of Conversion Period

If an Insured is eligible for conversion insurance and is not notified of this right at least 15 days prior to the end of the 31-day conversion period, the conversion period will be extended. The Insured will have 15 days from the date notice is given to apply for conversion insurance. In no event will the conversion period be extended beyond 90 days. Notice, for the purpose of this section, means written notice presented to the Insured by the Employer or mailed to the Insured's last known address as reported by the Employer.

If the Insured dies during the extended conversion period, but more than 31 days after his or her coverage under the Policy terminates, Life Insurance benefits:

1. will not be paid under the Policy; and
2. will be payable under the conversion insurance; provided:
 - a. the Insured's application for conversion insurance has been received by us; and
 - b. the required premium has been paid.

Prior Conversion Limitation

If an Insured is covered under a life insurance conversion policy previously issued by us, he or she will not be eligible for this Conversion Privilege unless the prior coverage has ended.

TL-009740

LIFE INSURANCE EXCLUSIONS

If an Insured commits suicide, while sane or insane, within 2 years from the date the Insured's insurance under the Policy becomes effective, Voluntary Life Insurance Benefits will be limited to a refund of the premiums paid on the Insured's behalf. The suicide exclusion applies from the effective date of any additional benefits or increases in Life Insurance Benefits.

Except for any amount of benefits in excess of the Prior Plan's benefits, this exclusion will not apply to you if you were covered under the Prior Plan for more than two years. If you were not insured for two years under the Prior Plan, credit will be given for the time you were insured.

If a Dependent Child commits suicide and is survived by other Dependent Children covered under your certificate, no refund of premiums will be paid.

TL-004752

CLAIM PROVISIONS

Notice of Claim

Written notice of claim, or notice by any other electronic/telephonic means authorized by us, must be given to us within 31 days after a covered loss occurs or begins or as soon as reasonably possible. If written notice, or notice by any other electronic/telephonic means authorized by us, is not given in that time, the claim will not be invalidated or reduced if it is shown that notice was given as soon as was reasonably possible. Notice can be given at our home office in Philadelphia, Pennsylvania or to our agent. Notice should include the Employer's name, the Policy Number and the claimant's name and address.

Written notice, or any other electronic/telephonic means authorized by us, of a diagnosis of a Terminal Illness on which claim is based must be given to us within 60 days after the diagnosis. If notice is not given in that time, the claim will not be invalidated or reduced if it is shown that written notice, or any other electronic/telephonic means authorized by us, was given as soon as reasonably possible.

Claim Forms

When we receive notice of claim, we will send claim forms for filing proof of loss. If we do not send claim forms within 15 days after notice is received by us, the proof requirements will be met by submitting, within the time required under the "Proof of Loss" section, written proof, or proof by any other electronic/telephonic means authorized by us, of the nature and extent of the loss.

Claimant Cooperation Provision

If you fail to cooperate with us in our administration of your claim, we may terminate the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Insurance Data

The Employer is required to cooperate with us in the review of claims and applications for coverage. Any information we provide to the Employer in these areas is confidential and may not be used or released by the Employer if not permitted by applicable privacy laws.

Proof of Loss

You must provide written proof of loss to us, or proof by any other electronic/telephonic means authorized by us, within 90 days after the date of the loss for which a claim is made. If written proof of loss, or proof by any other electronic/telephonic means authorized by us, is not given in that 90 day period, the claim will not be invalidated nor reduced if it is shown that it was given as soon as was reasonably possible. In any case, written proof of loss, or proof by any other electronic/telephonic means authorized by us, must be given not more than one year after the 90 day period. If written proof of loss, or proof by any other electronic/telephonic means authorized by us, is provided outside of these time limits, the claim will be denied. These time limits will not apply due to lack of legal capacity.

Written proof, or any other electronic/telephonic means authorized by us, of loss for Accelerated Benefits must be furnished 90 days after the date of diagnosis. This proof must describe the occurrence, character and diagnosis for which claim is made.

In case of claim for any other loss, proof must be furnished within 90 days after the date of such loss.

If it is not reasonably possible to submit proof of loss within these time periods, we will not deny or reduce any claim if proof is furnished as soon as reasonably possible. Proof must, in any case, be furnished not more than a year later, except for lack of legal capacity.

Time of Payment

Benefits due under the Policy for a loss, other than a loss for which the Policy provides installment payments, will be paid immediately upon receipt of due written proof of such loss.

Subject to the receipt of satisfactory written proof of loss, all accrued benefits for loss for which the Policy provides installment payments will be paid monthly; any balance remaining unpaid upon the termination of liability will be paid immediately upon receipt of due written proof, unless otherwise stated in the Description of Benefits.

Manner of Payment of Claims

The Subscriber authorizes that any benefit payment due as a lump sum of \$5,000 or more shall be credited to a draft account with the Insurance Company, in the name of the beneficiary. The beneficiary may withdraw the entire proceeds at any time by issuing one or more drafts, or may withdraw lesser amounts, subject to a minimum account balance set by the Insurance Company from time to time. Interest shall be credited to such account at rates as determined from time to time by the Insurance Company.

To Whom Payable

Death Benefits will be paid to the Insured's named beneficiary, if any, on file at the time of payment or to the certificate owner if alive. If there is no named beneficiary or surviving beneficiary, Death Benefits will be paid to the first surviving class of the following living relatives: spouse; child or children; mother or father; brothers or sisters; or to the executors or administrators of the Insured's estate. We may reduce the amount payable by any indebtedness due.

All benefits payable under the Accelerated Benefits section are payable to the Insured, if living. If the Insured dies prior to the payment of an eligible claim for an Accelerated Benefit, benefits will be paid in accordance with the provisions applicable to the payment of Life Insurance proceeds, unless the Insured has directed us otherwise in writing. However, any payment made by us prior to notice of the Insured's death shall discharge us of any benefit that was paid.

All other benefits unless otherwise stated in the Policy, will be payable to the Insured or the certificate owner if other than the Insured.

Any other accrued benefits which are unpaid at your death will, at our option, be paid either to your beneficiary or to the executor or administrator of your estate.

If we pay benefits to the executor or administrator of your estate or to a person who is incapable of giving a valid release, we may pay up to \$1,000 to a relative by blood or marriage whom we believe is equitably entitled. This good faith payment satisfies our legal duty to the extent of that payment.

Change of Beneficiary

You may change your beneficiary at any time by giving written notice to the Employer or to us. The beneficiary's consent is not required for this or any other change which you may make unless your designation of beneficiary is irrevocable.

No change in beneficiary will take effect until the form is received by the Employer or us. When this form is received, it will take effect as of the date of the form. If you die before the form is received, we will not be liable for any payment that was made before receipt of the form.

Physical Examination and Autopsy

We may, at our expense, exercise the right to examine any person for whom a claim is pending as often as we may reasonably require. Also, we may, at our expense, require an autopsy unless prohibited by law.

Legal Actions

No action at law or in equity may be brought to recover benefits under the Policy less than 60 days after written proof of loss, or proof by any other electronic/telephonic means authorized by us, has been furnished as required by the Policy. No such action shall be brought more than 3 years after the time satisfactory proof of loss is required to be furnished.

Time Limitations

If any time limit stated in the Policy for giving notice of claim or proof of loss, or for bringing any action at law or in equity, is less than that permitted by the law of the state in which you live when the Policy is issued, then the time limit provided in the Policy is extended to agree with the minimum permitted by the law of that state.

Physician/Patient Relationship

You have the right to choose any Physician who is practicing legally. We will in no way disturb the Physician/patient relationship.

TL-004724

ADMINISTRATIVE PROVISIONS**Premiums**

The premiums for this Policy will be based on the rates currently in force, the plan and the amount of insurance in effect.

If an Insured's coverage amount is reduced due to acceleration of a Death Benefit, premium will be based on the amount of coverage in force on the day before the reduction took place.

Your Grace Period

If your required premium is not paid on the Premium Due Date, there is a 31 day grace period after each premium due date after the first. If the required premium is not paid during the grace period, insurance will end on the last day for which premium was paid.

Draft Accounts

The Insurance Company shall be entitled to retain, as part of its compensation, any earnings on draft accounts created in connection with benefit claims, in excess of interest credited under the terms of the policy.

TL-004722

GENERAL PROVISIONS**Incontestability**

All statements made by the Employer or by an Insured are representations not warranties. No statement will be used to deny or reduce benefits or as a defense to a claim, unless a copy of the instrument containing the statement has been furnished to the claimant. In the event of death or legal incapacity, the beneficiary or representative must receive the copy.

After two years from an Insured's effective date of insurance, or from the effective date of any added or increased benefits, no such statement will cause insurance to be contested except for fraud or eligibility for insurance.

Misstatement of Age

If an Insured's age has been misstated, we will adjust all benefits to the amounts that would have been purchased for the correct age.

Workers' Compensation Insurance

The Policy is not in lieu of and does not affect any requirements for insurance under any Workers' Compensation Insurance Law.

Assignment of Benefits

We will not be affected by the assignment of your certificate until the original assignment or a certified copy of the assignment is filed with us. We will not be responsible for the validity or sufficiency of an assignment. An assignment of benefits will operate so long as the assignment remains in force provided insurance under the Policy is in effect. This insurance may not be levied on, attached, garnisheed, or otherwise taken for a person's debts. This prohibition does not apply where contrary to law.

Clerical Error

A person's insurance will not be affected by error or delay in keeping records of insurance under the Policy. If such an error is found, the premium will be adjusted fairly.

Ownership of Records

All records maintained by the Insurance Company are, and shall remain, the property of the Insurance Company.

The Employer will send written notice of the right to continue coverage to each insured Employee at his or her most recent address as on file with the Employer.

Premiums must be paid by the date they are due, subject to the 31 day grace period. Policy coverages and premiums will stay the same during a Labor Dispute; however, the Insurance Company may make normal changes in premium rates when the Policy is renewed, under the terms set forth in the Policy.

Coverage continued in this manner will end on the earliest of the following dates.

"Labor Dispute," as used here, means a strike, lockout, or other labor dispute between the Employer and its Employees, during which time the Employee is not paid by the Employer.

2. If the Policy provides coverage to dependents, benefits for a Spouse or Dependent Child are limited to 100% of the insured Employee's coverage amount. Stand-alone Spouse and Dependent Child coverage (when Employee is not insured) is not permitted.
3. The *Suicide* Exclusion, if any, does not apply.
4. To the extent the policy includes *Accelerated Benefits*, the following resolution of disputes requirements are added to the Policy.
 - For Terminal Illness – *Determination of Terminal Illness*

In the event the Physician representing the Insurance Company disputes the existence of a Terminal Illness, and the dispute cannot be resolved, the Insured has the right to mediation and binding arbitration in accordance with Washington Administrative Code 284-23-730.

5. The *Incontestability Provision* is replaced as follows:

Incontestability

All statements made by the Employer or by an Insured are representations not warranties. No statement will be used to deny or reduce benefits or as a defense to a claim, unless a copy of the instrument containing the statement has been furnished to the claimant. In the event of death or legal incapacity, the beneficiary or representative must receive the copy.

After two years from an Insured's effective date of insurance, or from the effective date of any added or increased benefits, no such statement will cause insurance to be contested.
